Towards a Community Investment Collective
Northern Sydney District

Plan on a Page - ideas for review

Community Investment Collective purpose

By expanding our Northern Sydney District environ to include more than our funded services, and by increasingly working cross government and cross sectors, to increase the services and opportunities to deliver better client outcomes.

Plan on a Page Community Investment Collective Northern Sydney District – A Passion for Change

Results	Indicators and measures of success
Health	People live independently longer with a better quality of life
Social	People belong, feel safe and connected Social Media Portal
Economic	People contribute and have purpose Micro Communities established

2021 NSW Goal 13:
Protect the most vulnerable in our community and break the cycle of disadvantage
